

Learning Lab Program ECUH Medical Center

Learning Lab program gives ECU Health Medical Center team members the opportunity to earn their high school equivalency through a partnership with Pitt Community College (PCC). A portion of the team member's school time is paid, they have access to the Learning Lab to complete schoolwork and they receive financial assistance to cover program-testing fees.

Program Eligibility

Must be an ECUH Medical Center team member who:

- does not have a high school diploma or equivalency
- desires to obtain their high school equivalency
- has the willingness to attend the Learning Lab to get the high school equivalency
- has the ability and willingness to work on schoolwork outside of paid time to ensure progress in the program (varies based on person and FTE status)
- has completed 90 day on-boarding and Competency Based Orientation (CBO)
- has Meets or Above on performance evaluation
- has no current corrective action on file

Additional Information

- Team Members have up to 24 months to complete the program
- Full -Time FTE will be scheduled 8 hours a week in the lab (schedule is negotiable but preferable that one or both 4-hour block of time is on Thursdays from 0900-1300 with the classroom teacher and the other 4-hour self-paced block of time can be worked out between team member and manager)
- Part-Time FTE will be scheduled 4 hours a week in the lab (Proposed in one block of time, preferably on Thursdays from 0900-1300 with classroom teacher)
- PCC reports it requires 12-16 hours a week to progress in this self-paced program

Please contact the ECU Health Workforce Development office at 252-847-3174 for any additional questions.
