

I Can See Clearly Now

EyeMed's Virtual Benefits Fair may help you see better today and tomorrow

Healthy vision is important, and early detection of issues can make a big difference in how you see things today and tomorrow. As part of our Total Rewards program, ECU Health offers team members the opportunity each year to enroll in vision coverage during Annual Enrollment.

Take time now to learn about the ECU Health Vision Plan, offered through EyeMed, to ensure you get the most out of this important benefit and consider enrolling in vision coverage during the upcoming Annual Enrollment period from Oct. 22 through Nov. 5.

As a reminder, the ECU Health Vision Plan covers the cost of exams, glasses and contact lenses. You may visit any licensed provider and stretch your benefits dollars by visiting an in-network provider.

In addition, now through Dec. 31, 2025, EyeMed is offering resources through their Virtual Benefit Fair to help team members manage existing vision coverage and make decisions about 2026 vision coverage.

By taking a few minutes to visit the EyeMed Virtual Benefit Fair, you can:

- ▶ Review vision plan resources and brochures.
- ▶ Find an in-network provider near you.
- ▶ Estimate out-of-pocket expenses.
- ▶ Get the most out of your current vision benefits.
- ▶ Make informed decisions about enrolling in vision coverage during the 2026 Annual Enrollment period (Oct. 22 through Nov. 5).

To get started, visit the EyeMed **Virtual Benefit Fair** site and enter the password **XE56L17Z**. Once there, check out the "Know Before You Enroll" section, which will guide you through sample transactions.

Helpful Contact Information.

- ▶ If you have questions about the Virtual Benefit Fair, please email **openenrollment@eyemed.com** and reference request ID **126047** in your subject line.
- ▶ Go to **eyemed.com**.
- ▶ Call **844-409-3401** for a list of in-network providers.
